INC.

SADDLERY AND HARNESS SUPPLIES

Catalogue No. 18 2025

# To Our Valued Customers

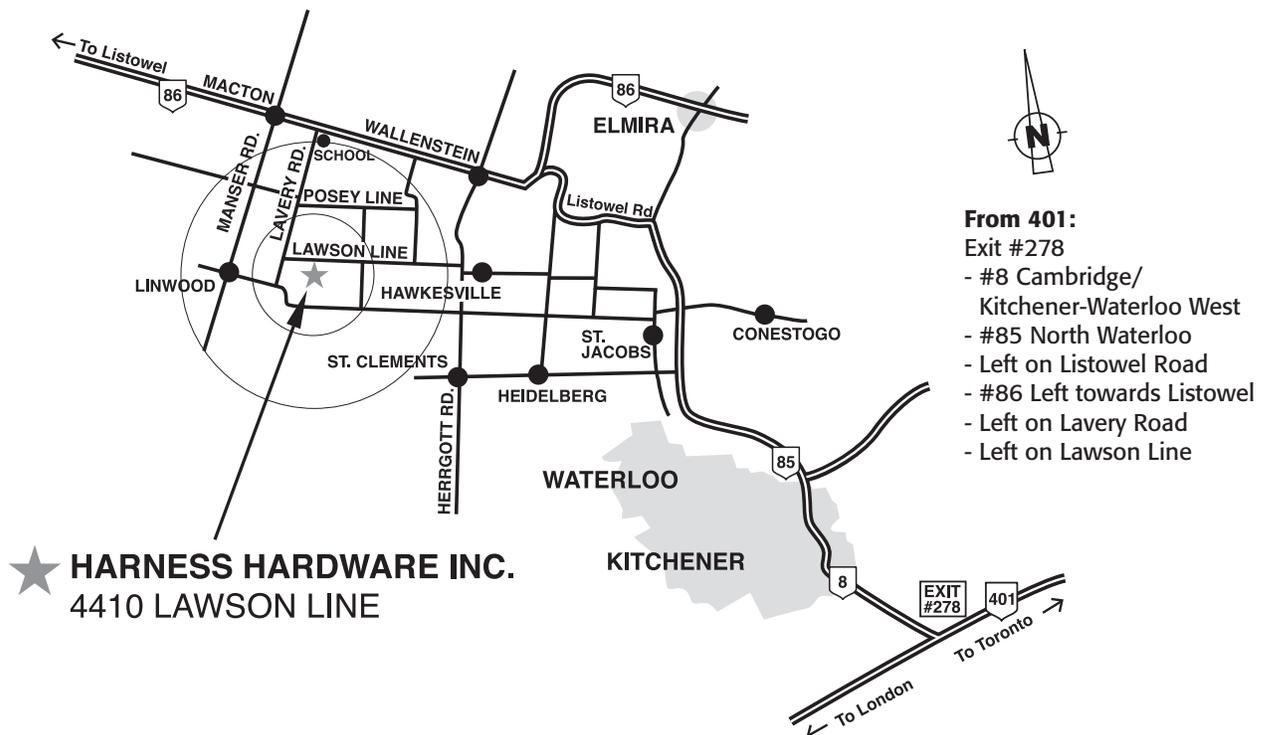

Welcome to our latest catalogue, offering high quality Canadian, US and imported Saddlery & Harness Hardware in various finishes and metals. All hardware items throughout this catalogue are numbered for easy identification, sizes and finishes with every item. Some items are manufactured here in our manufacturing facility at Harness Hardware Inc. such as hames, heel chain, ornaments, neck yokes, trace fittings, hay feeders, etc., which allows you to buy direct from the manufacturer. We also import direct from the manufacturer, allowing us to offer our customers the best quality, price and service.

We try to stock all items in the catalogue, allowing items to be shipped immediately, shipping with Canada Post, Loomies, UPS or Courier of your choice.

If you require any item not listed in the catalogue, please contact us and we will try to get or make it for you...!

*We are not liable or responsible for any kind of accident from the use of our products.*
